Financial Policy:

Thank you for choosing Animal Wellness Center of Bonita. It is our commitment to provide quality veterinary care throughout the life of your pet. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet. An important part of the mission is making the cost of optimal care as easy and manageable for our clients as possible by offering several payment options.

For your convenience we accept all major credit cards, cash, CareCredit, and ScratchPay.

All fees for professional services and medications are due at the time services are rendered. For patients requiring hospitalization or are dropping for a surgical procedure a deposit for the low end of the treatment plan is required with the remaining balance due at pick up.

I understand that I (the owner or agent) am financially responsible for all charges relating to this patient. I understand that If a balance is let unpaid, additional costs will arise and the balance due will be transferred to an external collections company. If this occurs, I am liable for the original balance due, and any collection agency fees, as well as legal fees.
